

TGA Rules and Policies

Parent Viewing Policy:

Viewing of classes is allowed within the “Parent Zone”; however, food is not allowed in the gym and coaching by parents while classes are in progress is strictly prohibited. Additionally, please keep cell phone discussions and discussions between parents quiet or step outside so that students are not distracted.

Class Attendance Policy:

TGA has open enrollment year-round for all classes. The class tuition is charged as a fixed monthly fee and when paid, serves to guarantee and reserve a student’s place in the class whether in attendance or not. TGA guarantees each student an average of 4 lessons per month over a 12 month period. Tuition will be paid via auto draw from a current and active credit or debit card.

Payment Policy:

An active credit or debit card is **required** on file to register for Scott Johnson’s Tumble & Gymnastics program. The Credit Card Authorization Form must be completed at time of registration. Monthly tuition will be paid by credit/debit card, which offers a convenient auto-pay system that enables families to pay by the credit/debit card on file every month. For your convenience, Scott Johnson’s TGA will bill your credit/debit card on the 1st of each month for the monthly tuition due, thereby ensuring your child’s continued active status. ***(If you choose to withdraw, please let us know as soon as possible to avoid your card being charged for the following month.)***

Pro-rated rates for new students starting after the 1st of a month may pay via check, cash, or credit/debit card for the remainder of the month attending. All additional monthly payments will be on auto-draw.

Missed Class & Makeup Policy

We do realize that our students may miss classes due to illness or vacation, so we offer class makeup opportunities. Missed classes must be made up no later than 30 days following the date of the missed class. Therefore, tuition will not be refunded or prorated at any time except when a new student is coming into the program during the month.
